## ABOUT ANGIE *personal life*

Angie is a trauma and abuse survivor who speaks openly about her ongoing journey towards deeper healing.

At sixteen, she was groomed into a romantic relationship with a high school teacher and faced community rejection when she went public with her story. Knowing and living by the promises of God helped free her from layers of shame, and she now creates resources that help people cultivate consistent Bible study habits.

The anchor verse for Angie's life and Steady On Ministries is Psalm 40:2b, "He set my feet on solid ground and steadied me as I walked along." (NLT)

## ABOUT ANGIE *work life*

Angie is a licensed pastor also trained in leading inductive Bible study through Precept ministries.

She regularly writes, speaks, and teaches on knowing God's promises and recognizing the enemy's attempts to distract us from receiving the abundant life Christ offers His children.

She is the author of three Bible studies, host of the weekly Steady On podcast, and creator of the Step By Step Bible study method.

She previously served as an Intern on Kathi Lipp's ministry team and an Academy Mentor for FlourishWriters.
